

BOBCAT QUARTERBACK CLUB

Fueling the success of Bobcat Football

Get ahead of the game....and make your 2020 Bobcat Quarterback Club (BQC) donation now! Giving today will allow our Bobcat football staff the opportunity to plan for another great season of football.

Montana State University Bobcat Football has the best fans and backing in the Big Sky. Your gifts and support make the difference for our football program. Our Bobcat Quarterback Club is here to lift the team even higher, but it can't be done without your support. Will you continue to help push our team onward and upward?

Coach Choate has great plans for the program and needs our help. Two new donor levels were rolled out this past year to fuel even more football success. The response to the tiered giving levels was beyond our expectations as we had 21 Blue and 8 Gold members. Your gift will supplement the football program in the following areas:

- Increase our players' safety on the field by upgrading the equipment to include Guardian Helmets for everyone.
- Provide our quarterbacks more time running through opponents' defensive schemes with next-level training through the use of 3D Google Active training goggles.
- Continue to support enhanced nutrition to conditioning and weight training for an even more effective fitness plan.
- Ensure every player has the ability to study and review films as much as they need on personal iPads.
- Allow for increased national travel for recruitment of key players.

You can help the team reach their goals! Please consider upgrading your gift to the Blue (\$2,500 per year) or the Gold (\$5,000 per year) level today.

Go 'Cats!

"The history of why the Quarterback Club started was to break our losing streak to the Griz, which started in '02. We now have a streak of our own, beating the Grizzlies **back to back to back to BACK**. Making this the first senior class in 42 years to never lose to the Grizzlies. This would not be possible without your donations and loyal support of the Bobcat Football program. With your support we can continue to move full speed in the right direction. Thank you for all you do for the Bobcat Football program!

Go 'Cats!"
